

- c) sharp artificial light
- d) sharp sunlight
- e) being in an unislamic environment

A) being in a "so-called" Islamic Environment" - but

one full of envy, hate and many of the sicknesses of the heart - this also greatly exacerbates my patterns issue

- [ALHA NDULILAH]

2. My optician ~~and~~ the optician receptionist and me agreed that (to deal with the light sensitivity), that I should have dim lights
